Non-compliant Amendment

The Office Action indicates that the amendments to the claims submitted by Applicant in a Response dated January 11, 2007 are not in compliance with 37 CFR 1.121(c)(2). The Office Action states "[i]n claim 14, lines 22 and 24 should not have underlining as the indicated added material was added in the previous amendment (20 June 2006)." Applicants have amended claim 14 to remove the underlining in lines 22

and 24, as suggested by the Office Action. The Office Action also states "In claim 20, lines 19 and 21 should not have underlining as the indicated added material was added in the previous amendment (20 June 2006)." Applicants have amended claim 20 to remove the underlining in lines 19 and 21, as suggested by the Office Action. It is Applicants' belief that the current amendments fully address the objections stated in the Office Action, and that the amendments as now presented comply with 37 CFR 1.121(c)(2).

Conclusion

This amendment represents an earnest effort to place the application in proper form and to distinguish the invention as now claimed from the applied references. Applicant respectfully requests that the present amendments be entered and that claims 1-6, 10-12, 14-16 and 19-20 be allowed. Early and favorable action in the case is respectfully requested.

Respectfully submitted,

By
